

AMICORP FINANCIAL MARKETS PROCESS AGENT SERVICES (GERMANY)

A Process Agent is a local agent in a foreign jurisdiction where the client does not have a presence but has entered legal documents governed by that jurisdiction. The client has to appoint a local agent to accept court papers from that jurisdiction on its behalf. Most likely, as the client, you will want an expert who not only understands the local jurisdiction but is confident in the role and who can quickly and professionally step up to assist.

WHY APPOINT A PROCESS AGENT

Clients who want to sign up to legal agreements governed by German law but do not have an office in Germany may require a Process Agent to accept service of the process. Through our Amicorp office in Germany, we can provide this service. As a global service provider, our appointment as a process agent covers the acceptance of multiple transaction documents, which, amongst others, can include:

- ➔ Documents relating to contracts
- ➔ International Swaps and Derivatives Association (ISDA) agreements and structured finance documentation
- ➔ Notices on behalf of overseas companies with or without a locally registered branch
- ➔ Leasing and financing
- ➔ Escrow agreements
