

AMICORP GROUP 360° BLOCKCHAIN SERVICE OFFERING

From enterprise blockchain adoption to the rise of decentralized finance, it seems like the blockchain landscape is rapidly evolving in different ways. Blockchain technology is meanwhile revolutionizing the world in various sectors, including art, crypto banking, crypto exchanges, custody providers, market makers, platform and protocols, token issuance companies, and venture capital.

Comprehending the disruptive digital space and implications of new business models in the current landscape can be challenging and quite complex. We have professionals and alliances in several jurisdictions who are knowledgeable and can help you to apply this technology to drive your transformation into the future.

HOW AMICORP CAN HELP YOU

With our expert knowledge on structures, finance, legal and compliance, and our abundant experience in doing business in over 30 countries and associations in at least another 40, we can support you with the management, governance, structuring, company secretarial (CoSec), accounting, compliance, etc., so that you can focus on your business.

Additionally, we can help you with coordinating your blockchain business:

As your trusted business partner, we can guide you through all the different steps, from planning to execution, a one-stop-shop in alliance with prestigious firms to offer integrated services guaranteeing the highest standards of quality and efficiency.

Our solution is a 360° accompaniment throughout a tailor-made holistic process of analyzing, implementing, and managing your project.

We provide a dedicated service offering combining various fields of expertise in one powerful package offering an end-to-end approach.

Because of Amicorp's global network, our 40+ offices in over 30 countries, we can coordinate your blockchain-related matters as follows:
