

# AMICORP GERMANY SHELF COMPANIES

*A shelf company in Germany is a legal entity that is already incorporated and has no previous business activities. Buying a shelf company is the easiest and fastest way for your business to become operative in Germany.*

## BENEFITS OF A SHELF COMPANY IN GERMANY

- ➔ You can start your business immediately with a ready-made German limited company (GmbH), avoiding the hurdles and delays that can result in an incorporation
- ➔ Amicorp's shelf companies are fully established and registered with the trade register
- ➔ All shelf companies come with total share capital paid in and have an existing bank account which the purchaser may take over
- ➔ Our shelf companies have never been commercially active after establishment, excluding legal risks

Amicorp Germany can support your newly established business with a whole range of ongoing management, administrative, payroll, and accounting services for your company.

Our services allow a lean and cost-efficient setup. You can take care of your core business activities while our experts take care of all administrative issues.

We help you to make your new business in Germany a success right from the start.
